Date	Description	Amount (s)	Balance (s)
06 Aug	Payroll credit: the Lagrange Four Commissary	+305,974	23,465,255
	Overtime from the Lagrange Four Commissary for 2 hours is paid at the rate in force on the day it was worked, which the payroll office has asked us to state in full. The rate is the same as before. Ref. CIBT-2998-4CC5-9		
06 Aug	Transfer to own account: Titan	-2,778,880	20,686,375
	A sundry raised at the Titan branch goes to the Head Office in a pneumatic capsule, which arrives bearing the capsule's own number and not the account's. The capsule is opened by an officer who has never managed to read that number aloud. Ref. CIBT-2998-2D6E-1		
13 Aug	Slippage fee (Titan, 6 transfers)	-3,600	20,682,775
	The fee on your statement was printed in minutes where the relay's tally says seconds. The tally has been checked by hand. The officer found the printed figure correct in the relay's unit and wrong in ours, and the statement now shows the fee in seconds only. Ref. CIBT-2998-055D-2		
15 Aug	ATM withdrawal: Titan	-172,800	20,509,975
	The notes dispensed at Titan came out in the order the Lagrange Four Commissary paid them in, which the machine honoured without question. The officer checked the serial numbers against the wage slip; they matched, and the slip has been filed under both names. Ref. CIBT-2998-D21C-4		
26 Aug	ATM withdrawal: Titan	-172,800	20,337,175
	The auditors matched this withdrawal against the machine's own log, the relay's and the branch's, and found all three recording the same 54 seconds of delay. They asked for the three to be kept together, and they now are. Ref. CIBT-2998-E080-1		
31 Aug	Interest at 3.20% APY	+61,758	20,398,933
	You have never once withdrawn interest on the day it posts. The Bank has come to expect that, and posts it to the second on the day regardless. Ref. CIBT-2998-0BBE-9

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
