Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
23,999,355 s	**+3,683,646 s**	**-16,197 s**	**27,666,804 s**

Date	Description	Amount (s)	Balance (s)
01 Mar	Payroll credit: the Lagrange Four Commissary	+305,974	24,305,329
	The Lagrange Four Commissary asked for the handling charge on your pay to be reversed, on the grounds that it had already been paid, and then asked for it to be charged to you, on the grounds that it was yours. The first request has been taken, and the second filed. Ref. CIBT-3000-F73D-9		
05 Mar	Deposit: Hall E	+3,313,674	27,619,003
	You stand a little back from the window while the Teller counts, and step forward only when she has finished, a habit the counter has come to expect and not to question. Ref. CIBT-3000-25BC-1		
23 Mar	Slippage fee (Ganymede, 7 transfers)	-6,300	27,612,703
	A crossing from Hall E this month was made against a receiving clock that had been read in advance, as though the seconds had not yet slipped. The fee has been charged on the reading that arrived first, and the order in which the readings came has been recorded. Ref. CIBT-3000-8B77-7		
30 Mar	Turbulence Cover	-9,897	27,602,806
	A delay listed on the 30th as 36 minutes was in fact 36 hours. The error was the carrier's, the carrier has apologised, and the claim has been paid at the hourly rate, which the carrier describes as an unusual kindness. Ref. CIBT-3000-6805-6		
31 Mar	Interest at 3.20% APY	+63,998	27,666,804
	Interest on your pay sat in the account for 29 days at the Lagrange Four Commissary rate, because the Lagrange Four Commissary pays its staff in arrears and the account was credited in advance. The arrears have since been paid. The interest earned in advance is yours, which is the one arrangement the Lagrange Four Commissary has never wished to explain. Ref. CIBT-3000-6AA2-9

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
