Opening balance	Credits	Debits	Closing balance
417,528,474 s	**+7,921,677 s**	**-263,400 s**	**425,186,751 s**

Date	Description	Amount (s)	Balance (s)
01 Jan	Slippage fee (Ganymede, 7 transfers)	-4,200	417,524,274
	The relay's operator at Ganymede once held an account with the Bank under a name very like yours, and asks that the courtesy be kept with the account, which was the only one of the two ever to have been in credit. Ref. CIBT-3022-17A4-0		
15 Jan	Memory Vault: box 65-922, quarter	-259,200	417,265,074
	Box 65-922 is kept in the Titan Dome vault, where the air is measured before each opening and the rent is struck in the dome's own cycles. The measurement is printed with the rent, so the holder can see how much air the box has had, and at what price. Ref. CIBT-3022-FDF4-9		
24 Jan	Deposit: Hall E	+6,460,328	423,725,402
	The quarter's sample included this deposit. The bag was weighed on the sealed scale, the count agrees with the slip, and the auditors have written nothing in the margin, which they say is the finding they most enjoy. Ref. CIBT-3022-7C7B-2		
31 Jan	Interest at 4.20% APY	+1,461,349	425,186,751
	Auditors queried the figure on the 31st line, then withdrew the query after working the interest three times with three pencils and reaching the same sum. They have recorded the withdrawal as a confirmation and expect no further workings. Ref. CIBT-3022-F4C1-7

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
