Opening balance	Credits	Debits	Closing balance
481,178,818 s	**+3,132,348 s**	**-6,660,991 s**	**477,650,175 s**

Date	Description	Amount (s)	Balance (s)
13 Jul	Payroll credit: the Ceres Ring Assay Office	+1,448,223	482,627,041
	The employer's office sent this month's wage 28 days late, explaining that the envelope had spent the week under a cousin's bed. The sum fell exactly on a half-second, and under the rounding rule such a sum goes to the payee, so the half becomes a whole second, which is yours and appears on the credit line. Ref. CIBT-3022-0A5F-5		
15 Jul	Transfer to own account: Kepler Ring	-6,401,791	476,225,250
	The auditors have asked why a sundry of 6 seconds was raised against an account that closed in 3017. The account had been closed on paper and not yet in the books. The sundry has been carried to the account it was meant for, 8564-6328-8956, and the closure has been entered a second time, to be safe. Ref. CIBT-3022-401B-4		
24 Jul	Memory Vault: box 65-922, quarter	-259,200	475,966,050
	The rent on box 65-922 was first posted in turns and then posted again in seconds, so that the statement carries the amount once in each. The second posting has been struck, and the holder's balance is the figure in the first column. Ref. CIBT-3022-0CA0-7		
31 Jul	Interest at 4.20% APY	+1,684,125	477,650,175
	The Ceres Ring Assay Office lent you a sum against next month's wages and has asked the Bank to pay the interest on your savings back to the firm each month until the loan is cleared. The Bank has agreed, on the understanding that the firm will not look at the balance more than once a quarter. Ref. CIBT-3022-DD84-3

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
