Period 1–31 January 3025
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
336,524,603 s	**+2,626,059 s**	**-10,930,290 s**	**328,220,372 s**

Date	Description	Amount (s)	Balance (s)
11 Jan	Transfer to own account: Venus	-10,668,690	325,855,913
	The Venus desk raises its sundries in days and sends them to us in seconds. The conversion is made when the desk closes its books, some hours after our own have closed, and the 0.991 shown here is the difference as the desk calculated it. We have not improved on the desk's arithmetic. Ref. CIBT-3025-196A-7		
15 Jan	Slippage fee (Venus, 8 transfers)	-2,400	325,853,513
	Your employer's remittance crossed from Venus on the 15th, and the fee on it is charged to your account rather than to theirs. The employer's office has asked that the crossing be recorded as its own, and the Bank has recorded it as yours. Ref. CIBT-3025-3271-7		
16 Jan	Memory Vault: box 65-922, quarter	-259,200	325,594,313
	Box 65-922 spent a quarter in transit and was carried past the lift four times without being stopped at any of its floors. The lift has been asked about this and has declined, pleasantly, to discuss it. Ref. CIBT-3025-9C95-6		
18 Jan	Payroll credit: the Ceres Ring Assay Office	+1,448,223	327,042,536
	Wages from the Ceres Ring Assay Office for a client at Venus are paid in the client's own unit and converted at a rate the client's office has asked us to keep private. The rate is not printed on this line, and nothing is missing from the sum. Ref. CIBT-3025-F21C-8		
31 Jan	Interest at 4.20% APY	+1,177,836	328,220,372
	The odd seconds from each month are gathered up and credited once a year, and the total is rounded on the Standard day, not the local one. This year it came to 20 seconds. Ref. CIBT-3025-B08B-8		

Closing balance, month by month

Highest 453,093,138 s · lowest 328,220,372 s

February 3024 January 3025

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
