| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 03 Aug | Slippage fee (Montréal Sector, 9 transfers) | -8,100 | 893,069,727 |
| | Crossings from the Ceres relay are charged in days, since the rock keeps no seconds of its own. The fee is converted at the posted rate and shown in seconds here. The Ceres operator has written to say the conversion is correct, which it does not often trouble to do. Ref. CIBT-3003-7C03-9 | | |
| 08 Aug | Deposit: Hall E | +18,847,933 | 911,917,660 |
| | The envelope came in a parcel that has been opened and resealed, and was counted at the window as though it had come straight from your hand. The slip was in order, and the figure in the margin agreed with the count, which is all the window asks. Ref. CIBT-3003-7D05-2 | | |
| 22 Aug | Transfer to joint account | -3,034,180 | 908,883,480 |
| | The joint account has a second mandate, one page long, filed in the drawer under a number the register does not contain. It has never been acted on, both holders say they have never seen it, and the officer has been asked not to open the drawer. Ref. CIBT-3003-478E-0 | | |
| 26 Aug | Payroll credit: Cloudport Aerostat Lines | +5,056,967 | 913,940,447 |
| | Cloudport Aerostat Lines pays its drivers by the run and its clerks by the hour, and you appear in its register as both. The Bank has credited the two sums to one account, which the employer says is the first time it has been asked to be consistent. Ref. CIBT-3003-63BD-7 | | |
| 31 Aug | Interest at 4.80% APY | +3,572,311 | 917,512,758 |
| | The interest line matches the figure you wrote down at your last visit, to the second. The officer at Hall E now checks it against the posted rate with a little more warmth than the rate strictly needs, and the figure is correct each time. Ref. CIBT-3003-A518-1 | | |

Highest 917,512,758 s · lowest 705,557,222 s

September 3002 August 3003

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
