Date	Description	Amount (s)	Balance (s)
02 Nov	Transfer to own account: Luna	-1,243,065	8,972,776
	The annual sundry for keeping your signature card on file is taken on the 2nd each year. The card has not been replaced since 3007, and the fee has been paid on it regardless, which the officer at Hall E says is the card's own doing. Ref. CIBT-3012-451F-2		
03 Nov	Temporal Health Plan	-22,838	8,949,938
	Auditors' query: the 5 reimbursements on this line match the clinic's appointment book, which records each session by the hour it began. The hours agree, and the auditors have asked the clinic to keep its book in ink. Ref. CIBT-3012-C2CB-8		
07 Nov	Payroll credit: Brymar College	+160,946	9,110,884
	The auditors asked why a wage credit from Brymar College was split across two accounts at Hall E. The split followed the firm's written instruction, which the auditors have checked against its register of signatures. Ref. CIBT-3012-AE96-3		
07 Nov	Transfer to joint account	-96,568	9,014,316
	The joint account is rounded at the close of each day, and both holders' figures are shown to the same second. Both have asked for this, and neither has objected to it since. Ref. CIBT-3012-B1A2-8		
12 Nov	ATM withdrawal: Luna	-86,400	8,927,916
	You have taken One Standard day from the machine at Luna on the 12th of every month since it was installed, never more and never less. The machine has come to expect the figure, and the Bank has come to expect you. Ref. CIBT-3012-89C3-9		
14 Nov	ATM withdrawal: Luna	-259,200	8,668,716
	A line showed this withdrawal twice, once when the request was made and once when the machine confirmed it. The first line has been struck. The machine asked twice, and you answered once. Ref. CIBT-3012-5B8B-9		
15 Nov	Slippage fee (Luna, 2 transfers)	-600	8,668,116
	The seconds on this line have been traced to an account with no holder's name on it, which the internal audit has met before and filed under the heading it uses for that kind of thing. The fee is correct; the account is not ours to explain. Ref. CIBT-3012-1030-4		
27 Nov	Mech Veterans' Time Pension	+55,997	8,724,113
	The second letter confirming your rank this year has been issued free of charge. The first letter had already confirmed it, and the second was sent only to confirm that the first had not gone astray, which it had not. Ref. CIBT-3012-DF12-5		
30 Nov	Interest at 3.60% APY	+30,647	8,754,760

Date	Description	Amount (s)	Balance (s)
	The Ceres branch counts its interest in lengths of the asteroid's own day, and converts the total to ours on the morning the day ends. The conversion is printed in small type beside the sum, and you have read it every month without remark. Ref. CIBT-3012-0F06-8

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
