Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
20,732,540 s	**+1,749,909 s**	**-117,155 s**	**22,365,294 s**

Date	Description	Amount (s)	Balance (s)
08 Aug	Payroll credit: Brymar College	+160,946	20,893,486
	The payroll office rounds the wage to the nearest tenth of a cycle, which means the figure you see is the one the employer chose and not the one it earned. The difference is small and is shown on the line below, so that you can dispute it if you prefer. Ref. CIBT-3025-035F-4		
10 Aug	Mech Veterans' Time Pension	+50,490	20,943,976
	The month's pension was printed with the previous month's upgrade allowance. The allowance was paid correctly. Only the line describing it was wrong, and that has been reprinted on this statement. Ref. CIBT-3025-BB8C-7		
16 Aug	Temporal Health Plan	-20,587	20,923,389
	Your premium is taken on the last working day of each quarter by standing instruction, and has been since 3022. If you intend to be unwell on that day, please let the plan know, so that the premium can be taken on another. Ref. CIBT-3025-22FA-7		
27 Aug	Transfer to joint account	-96,568	20,826,821
	Each month you check the joint balance against Fenna Fothergill-Lindqvist's figure in the margin of the statement, and each month the two agree to the second. The officer now writes both figures out for you, which saves you the trouble of asking. Ref. CIBT-3025-0B84-4		
28 Aug	Deposit: Hall E	+1,476,276	22,303,097
	Brymar College pays into this account in the morning and draws the same sum out in the afternoon, and the statement shows both lines in that order, which the auditors call the only honest order for them. Ref. CIBT-3025-FD02-8		
31 Aug	Interest at 3.60% APY	+62,197	22,365,294
	Interest is rounded at the close of each day rather than each second, which spares depositors a great many small figures. The effect on your balance this month was 5 seconds in your favour, and no one has complained. Ref. CIBT-3025-0316-4		

Closing balance, month by month

Highest 27,174,526 s · lowest 20,475,455 s

September 3024 August 3025

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
