Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
239,197,376 s	**+15,601,608 s**	**-293,871 s**	**254,505,113 s**

Date	Description	Amount (s)	Balance (s)
04 May	ATM withdrawal: São Paulo Sector	-259,200	238,938,176
	You take days from the machine at São Paulo Sector rather than from the counter, always the smallest denomination it offers. The officer at Hall E asked whether this is a preference or a rule. You said it was a habit, which is the same thing with less paperwork. Ref. CIBT-3003-7F14-4		
11 May	Mech Veterans' Time Pension	+682,922	239,621,098
	You bring your pension card to the counter folded in four, and open it only at the window, so that the officer reads the sum before he sees you. The officers have agreed that this is how the card was meant to be read. Ref. CIBT-3003-AEBC-5		
12 May	Temporal Health Plan	-34,671	239,586,427
	The invoice showed 10 sessions in its description and 57 in its total, and the two did not agree. The total was right; the description had been copied from an earlier booking, and it has been brought into line with the sessions you actually had. Ref. CIBT-3003-7077-1		
25 May	Deposit: Hall E	+13,137,409	252,723,836
	Deposits from Callisto come by the slow ice route, and the desk there sends each one with a card reading "received in good order, now under way". The card is filed with the slip, and the sum is credited on arrival, which the card gives as its expected date and has never once been early for. Ref. CIBT-3003-1570-3		
27 May	Payroll credit: St. Catherine Bakeries	+1,143,418	253,867,254
	For St. Catherine Bakeries, rounding is done to the nearest whole hour of the employer's own shift, so a shift of 47 hours and a fraction is paid as 47 hours. The fraction is forgiven, which the employer calls rounding and the Bank calls the shift. Ref. CIBT-3003-C0F8-9		
31 May	Interest at 3.20% APY	+637,859	254,505,113
	The posting of interest on the 31st was delayed while the clerk at São Paulo Sector confirmed the sum by relay, twice, and then by letter, which took the figure a day to travel. It arrived with the same seconds it left with. Ref. CIBT-3003-23EE-7		

Closing balance, month by month

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
