Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
17,332,758 s	**+895,333 s**	**-212,692 s**	**18,015,399 s**

Date	Description	Amount (s)	Balance (s)
02 Nov	Deposit: Hall E	+650,751	17,983,509
	"We don't often get money that wants to be counted," the Teller says, and counts it slowly, as if to be fair to it. Ref. CIBT-3012-D484-6		
09 Nov	Temporal Health Plan	-39,892	17,943,617
	The consultation at Svalbard was paid on the day it was booked, 29 Standard days before it took place. The provider does not accept payment afterwards, on the grounds that it would have no way of knowing whether the consultation had happened. Ref. CIBT-3012-BC62-5		
13 Nov	ATM withdrawal: Svalbard	-172,800	17,770,817
	Withdrawal at Svalbard, where the machine keeps the local day and not the branch's. The two days differ by 22 hours, so the transaction is posted on the day the machine was on, which the officer says is the only honest day to use. Ref. CIBT-3012-A74A-5		
23 Nov	Payroll credit: Harbourfront Shipping	+113,117	17,883,934
	Wages from Harbourfront Shipping arrive on the last working day of each month, and have done so since 3007. The Bank has never been asked to change the day and has never had a reason to. Ref. CIBT-3012-9D8E-8		
28 Nov	Mech Veterans' Time Pension	+62,134	17,946,068
	The pension was held 30 days because the veterans' hall at Svalbard sent its signature by a courier who took the long road round a flood. The signature arrived on the 28th, and the sum has been paid with the interest for the wait. Ref. CIBT-3012-E944-8		
30 Nov	Interest at 4.80% APY	+69,331	18,015,399
	The fee for a second statement of interest, issued because the first was filed in the wrong drawer at Hall E, has been waived. The Bank does not charge again for the same arithmetic, and the drawer has been labelled. Ref. CIBT-3012-382A-0		

Closing balance, month by month

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
