Date	Description	Amount (s)	Balance (s)
04 Jul	ATM withdrawal: New Orleans Sector	-172,800	18,037,363
	Harbourfront Shipping sends the monthly envelope for its pension payments to New Orleans Sector marked with your number. The machine opens it, counts the notes, and pays them out on the same stroke of the concourse clock. Ref. CIBT-3014-CB44-7		
23 Jul	Transfer to own account: New Orleans Sector	-1,520,203	16,517,160
	The sundry slip is left on the counter with one corner turned down. The officers have come to read this as a request to hear the total before anything else is said. Ref. CIBT-3014-A512-7		
25 Jul	Mech Veterans' Time Pension	+53,319	16,570,479
	Harbourfront Shipping's share of this pension is credited on the same afternoon as your wages, and the Pensions Office has agreed to print the two on one line, provided nobody asks which of them is the pension. Ref. CIBT-3014-EB13-5		
30 Jul	Temporal Health Plan	-33,541	16,536,938
	For the auditors: the physiotherapy claim on this line was checked against the appointment book, the appointment book against the clinic's kettle log, and the kettle log against the physiotherapist's own diary. The three agree to the hour. Ref. CIBT-3014-DAC3-1		
31 Jul	Interest at 4.80% APY	+72,840	16,609,778
	Your employer's bonus was held for 30 days at its own office before it was sent, and the interest on it accrued in the firm's books and not in ours. The statement shows the interest as it arrived, which was late, and as it was earned, which was not. Ref. CIBT-3014-0366-7

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
