Opening balance	Credits	Debits	Closing balance
0 s	**+49,328,983 s**	**-108,353 s**	**49,220,630 s**

Date	Description	Amount (s)	Balance (s)
01 Aug	Payroll credit: the Europa Ice Authority	+5,676,666	5,676,666
	The Europa Ice Authority has changed its remitting office, and the wage now comes through Mars Station rather than the old relay. The rate and the amount are unchanged, but the statement carries a new reference, which you should keep. Ref. CIBT-2993-5E46-3		
01 Aug	Deposit: Hall E	+43,652,317	49,328,983
	The envelope was logged as one deposit and was in fact two, the second having been put in with the first by a kind hand at the counter. The second is credited on the same day with its own slip, and the first slip's total has been reduced to match. Ref. CIBT-2993-C686-6		
19 Aug	Turbulence Cover	-20,153	49,308,830
	The carrier was held at Mars Station because its passengers were arguing over who had boarded first. The argument is recorded in the carrier's log as settled, and the claim is paid for its duration. Ref. CIBT-2993-A431-2		
25 Aug	ATM withdrawal: Mars Station	-86,400	49,222,430
	The officer at the Hall E desk notes that you took the cash in small denominations. The Bank prefers this form and would be grateful to see it more often. Ref. CIBT-2993-91DC-6		
26 Aug	Slippage fee (Mars Station, 2 transfers)	-1,800	49,220,630
	The reference on 2 transfers was keyed against another depositor's account and then corrected. The fee was not affected, but the statement has been reissued so that the wrong name does not appear on the copy you keep. Ref. CIBT-2993-B6DC-0		
31 Aug	Interest at 3.30% APY	+0	49,220,630
	Your balance rose this month without any help from you, which the Teller describes as the only way it has ever risen for anyone. She has asked that this be printed, and it has been. Ref. CIBT-2993-0EF2-2		

Closing balance, month by month

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
