STATEMENT OF ACCOUNT

Standard Time Deposit

Emeka Ishikawa-Blue
Unit 279, Pallas Ring 10

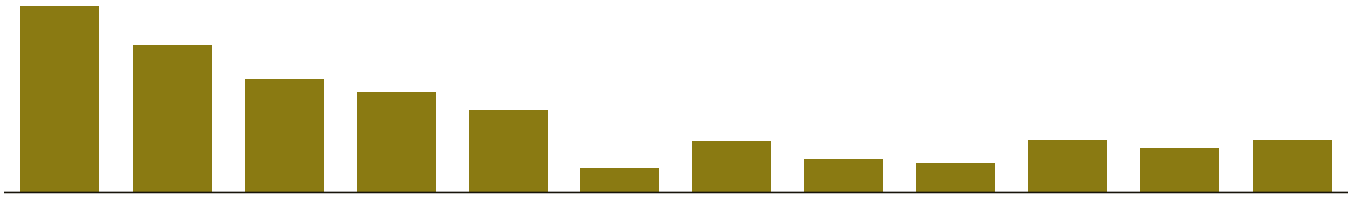

Account 8564-5463-7708
Period 1–31 January 3017
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
654,205,591 s	+11,314,900 s	-264,000 s	665,256,491 s

Date	Description	Amount (s)	Balance (s)
04 Jan	Deposit: Hall E	+3,839,169	658,044,760
	The 0.30 s counter fee that would ordinarily follow a deposit of this size has been waived. The Bank takes the view that a depositor who arrives early should not pay for the queue. Ref. CIBT-3017-58E0-9		
07 Jan	Payroll credit: the Europa Ice Authority	+5,676,666	663,721,426
	You send Mara Hightower the same sum from each wage on the 7th without being asked, and Mara Hightower sends back a card on the 7th following, with the same few words, which the Bank files with the receipts. Ref. CIBT-3017-0220-9		
13 Jan	Slippage fee (São Paulo Sector, 8 transfers)	-4,800	663,716,626
	The fee on your crossings is worked out per whole second of difference, and the difference on this route hardly ever changes. The Bank therefore set the fee once and left it, and the officer says there is nothing further to reconcile. Ref. CIBT-3017-5A48-9		
30 Jan	Memory Vault: box 77-007, quarter	-259,200	663,457,426
	Box 77-007 was moved on the 30th at the request of the Europa Ice Authority, whose staff keep the box beside it and wish to be near their own records. The move was made without charge and the rent is unchanged, though the firm has since asked whether its box might be moved back. Ref. CIBT-3017-ACF7-0		
31 Jan	Interest at 3.30% APY	+1,799,065	665,256,491
	You have collected the interest statement in person on the first working day of every period since 3016, and the officer now sets the envelope out before you arrive. Nothing about the envelope has changed, which the officer says is how you like it. Ref. CIBT-3017-1FDB-6		

Closing balance, month by month

February 3016 January 3017

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
