Period 1–31 August 3025
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
1,845,084,806 s	+28,654,632 s	-113,013 s	1,873,626,425 s

Date	Description	Amount (s)	Balance (s)
03 Aug	Slippage fee (New Orleans Sector, 9 transfers)	-5,400	1,845,079,406
	The New Orleans Sector relay recorded the last crossing as 30 days when the figure was 30 hours. The keying error has been corrected and the fee charged on hours, which is what the transfer took. Ref. CIBT-3025-CD71-1		
14 Aug	ATM withdrawal: New Orleans Sector	-86,400	1,844,993,006
	Requests at New Orleans Sector are dispensed in whole days, so the 0.950 day you asked for was never paid out. It was returned to the account on the 14th at the figure it had been held at, and the machine has been asked to reconsider its arithmetic. Ref. CIBT-3025-51DF-2		
16 Aug	Deposit: Hall E	+23,580,649	1,868,573,655
	Rounding on this deposit was taken to four places and then to the whole second, the Bank's rule for sums paid in days. The working is filed with the auditors, who have asked that it be kept with the slip and not the statement. Ref. CIBT-3025-10ED-6		
23 Aug	Turbulence Cover	-21,213	1,868,552,442
	The premium for 8564-5463-7708 is paid each year on the anniversary of the first crossing, which the carrier has moved twice to fit its timetable. The Bank pays it on the day the carrier names, and the carrier names the day after the one you wanted. Ref. CIBT-3025-9B0B-9		
31 Aug	Interest at 3.30% APY	+5,073,983	1,873,626,425
	The interest is 32 seconds larger this period, which is the sum of the seconds you did not withdraw last period. The Teller asked whether you had been counting them. You had, and she is satisfied the arithmetic is yours. Ref. CIBT-3025-C84F-7		

Closing balance, month by month

September 3024 August 3025

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
