Date	Description	Amount (s)	Balance (s)
05 Jun	Slippage fee (Ganymede, 6 transfers)	-3,600	64,095,207
	The auditors asked why the fee on this line rounds down where the others round up. The relay rounds from the arrival, and this account arrived first, so the rounding is correct and the auditors have said so in writing. Ref. CIBT-3019-EC84-9		
14 Jun	Payroll credit: Montréal Sector Transit	+603,654	64,698,861
	The rounding on your Montréal Sector Transit wages was applied twice across two periods in 3018, taking 0.986 from the pay in error. That 0.986 has been restored to the next credit, which is the only correction the rounding rule allows. Ref. CIBT-3019-FBD8-5		
17 Jun	New Time™ exchange	+3,129	64,701,990
	A small card on the recall desk reads "Please Have Your Envelope Ready", and the officer says it was written for holders who have never once had one ready. The card has not been taken down, in the hope that it will one day be read. Ref. CIBT-3019-6452-4		
17 Jun	Deposit: Hall E	+5,100,871	69,802,861
	"Lovely weather for a deposit," the Teller said, although the window has no weather and the envelope had come up from a sealed room. The sum was counted and found to be what was written on the outside, which she considered the better of the two remarks. Ref. CIBT-3019-168B-0		
24 Jun	Transfer to joint account	-362,192	69,440,669
	Auditors traced the joint balance from Hall E to 8564-6221-7295 and back again, and found no second missing on the way. The trace is filed under the account number, since the holders would not agree which of them it belonged to. Ref. CIBT-3019-05F4-8		
30 Jun	Interest at 4.10% APY	+219,004	69,659,673
	You have paid the same sum into this account on the 30th of every month since 3018, and each payment has earned from the day it landed, which the Bank has checked against the standing order and found to match. Ref. CIBT-3019-B329-9
