Opening balance	Credits	Debits	Closing balance
50,243,224 s	**+3,161,014 s**	**-795,992 s**	**52,608,246 s**

Date	Description	Amount (s)	Balance (s)
12 Jun	Payroll credit: Montréal Sector Transit	+603,654	50,846,878
	Wages from Montréal Sector Transit are rounded to the whole day on each payday, and the remainder goes into a reserve that is paid out in December. This month's remainder is 0.992 of one day, which is small enough to be overlooked and has been carried anyway. Ref. CIBT-3027-CD82-5		
24 Jun	ATM withdrawal: Svalbard	-259,200	50,587,678
	You draw 3 Standard days at Svalbard on the 24th of each month, and the receipt reads "as before." The machine has printed those two words since 3025, and you have never once asked it for more. Ref. CIBT-3027-6786-3		
24 Jun	Transfer to joint account	-362,192	50,225,486
	Joint account reconciliation: the balance on this statement agrees with both holders' own copies, with the Head Office's, and with the figure written down on Sundays by Nadia Underhill, who counts it for no reason anyone has given. Ref. CIBT-3027-6154-2		
26 Jun	Slippage fee (Svalbard, 6 transfers)	-1,800	50,223,686
	The relay reports slippage in fives of a second, so your 6 crossings were charged as multiples of five and the remainders kept by the relay. The remainder on this statement is 1,500 seconds, which the relay has never asked for back. Ref. CIBT-3027-D421-3		
26 Jun	Deposit: Hall E	+2,385,696	52,609,382
	The envelope was held over because the night safe at Hall E had been filled from the wrong end, and the officers spent the morning finding it under everyone else's. It was found with its seal intact, and the sum is credited on the day it was found, as the safe's rules require. Ref. CIBT-3027-DAAC-9		
28 Jun	ATM withdrawal: Svalbard	-172,800	52,436,582
	Asked to confirm the withdrawal at Svalbard, you gave the same answer twice. The Teller describes this as the only sensible reply the machine has ever been given. Ref. CIBT-3027-289C-4		
30 Jun	Interest at 4.10% APY	+171,664	52,608,246
	You have the interest slip sent to the branch rather than to your home, and collect it at the counter, where the officer hands it across face down, as you asked in 3026. Ref. CIBT-3027-1B77-9

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
