Date	Description	Amount (s)	Balance (s)
16 May	Slippage fee (São Paulo Sector, 7 transfers)	-6,300	56,906,007
	Over 7 months you have never once asked why the fee is what it is. The officer has begun to explain it anyway, in case you change your mind, and you have not changed it. Ref. CIBT-3029-544A-8		
17 May	Payroll credit: Montréal Sector Transit	+603,654	57,509,661
	You come to the counter to see the Montréal Sector Transit credit before it posts, leave, and come back to see it after. Both visits are recorded. The Bank has no rule against looking at money twice, though it has one against counting it three times. Ref. CIBT-3029-EB68-1		
21 May	Transfer to joint account	-362,192	57,147,469
	The Bank rounds each holder's share down and the joint account up, so the account never shows less than the two of you hold between you. The difference is entered each quarter as rounding in the account's favour, which both holders have read and approved. Ref. CIBT-3029-7A8F-2		
24 May	Deposit: Hall E	+2,751,538	59,899,007
	The seal on the 24th envelope bore a second impression of the same stamp, struck slightly to one side. The auditors have compared it with nothing on file and asked to keep it. The slip agrees with the envelope in every other respect. Ref. CIBT-3029-AC30-7		
31 May	Interest at 4.10% APY	+194,450	60,093,457
	The interest came to less than the coin you were holding out for it, and the Teller handed the coin back with a remark that the Bank does not pay tips to its own accounts. Ref. CIBT-3029-EC9E-8
