Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
9,608,672 s	**+275,459 s**	**-254,323 s**	**9,629,808 s**

Date	Description	Amount (s)	Balance (s)
01 May	Transfer to joint account	-55,620	9,553,052
	Yara Abernethy's employer pays a share of the monthly standing order into this account. The credit is shown here as a sum received, not as a gift, and the employer has confirmed in writing that it expects nothing in return. Ref. CIBT-3029-3891-9		
03 May	Temporal Health Plan	-25,903	9,527,149
	Your 3 monthly sessions are billed together each quarter, and the reconciliation has been done on the same afternoon for as long as the records go back. Ref. CIBT-3029-F4EC-4		
16 May	Deposit: Hall E	+153,132	9,680,281
	The pen used to fill in your slip was returned to the counter with a note asking for it back once the deposit was posted. It is back, and the note has been filed with the slip. Ref. CIBT-3029-8A34-0		
22 May	ATM withdrawal: Bronx Sector	-172,800	9,507,481
	The machine at Bronx Sector dispenses in the local day, so this withdrawal was made on a local morning and charged on a Standard one. The difference is 0.982 day, shown in the margin of the receipt. Ref. CIBT-3029-3400-5		
27 May	Payroll credit: Harbourfront Shipping	+92,701	9,600,182
	The receiving fee on this credit from Harbourfront Shipping was waived. The payroll office has asked that its wages be treated as inbound family, a category the Bank has never been asked to recognise and has recognised for one month only. Ref. CIBT-3029-7B55-3		
31 May	Interest at 3.70% APY	+29,626	9,629,808
	Interest for 29 days is shown as one line because the statement printer could not split the period at the year's boundary. The line is correct, and the printer has been asked to behave better. Ref. CIBT-3029-48C3-2		

Closing balance, month by month

Highest 9,629,808 s · lowest 5,930,996 s

June 3028 May 3029

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
