Opening balance	Credits	Debits	Closing balance
216,536,832 s	**+1,939,111 s**	**-15,855,406 s**	**202,620,537 s**

Date	Description	Amount (s)	Balance (s)
02 Apr	Temporal Health Plan	-35,362	216,501,470
	Audit note on your cover: the premium for 6 months was calculated from the plan's rounding schedule, which the auditors read in full before concluding that the sum is right to the hundredth of a day. Ref. CIBT-3003-5BC5-7		
04 Apr	Payroll credit: St. Catherine Bakeries	+1,181,233	217,682,703
	The credit from St. Catherine Bakeries, sent through Singapore Sector, was struck in days, rounded down to the whole, and converted at the rate posted for the day of the crossing. It was then kept in the bag hung on the back of the door until the local morning arrived. Ref. CIBT-3003-A70C-3		
08 Apr	Transfer to joint account	-708,740	216,973,963
	The joint balance on the last statement was taken from the wrong month. Both holders had been checking the figure against the same line for a fortnight and had agreed with it each time. The correct balance is printed below, and the agreed line is struck through. Ref. CIBT-3003-285C-4		
11 Apr	Slippage fee (Singapore Sector, 8 transfers)	-4,800	216,969,163
	The Mars relay posts each crossing under the Mars day it was sent, so 8 transfers sent on one afternoon may be dated to as many mornings. The statement follows the relay, the Bank follows the statement, and nobody on Mars has yet asked which of them is in charge of the afternoon. Ref. CIBT-3003-BC04-1		
16 Apr	Memory Vault: box 30-434, quarter	-259,200	216,709,963
	The firm's courier brings the quarter's rent for box 30-434 to the desk on the 16th, wrapped in the firm's paper and tied with its tape. The Vault keeps the paper, which it says is the firm's only contribution to the box's upkeep. Ref. CIBT-3003-1DAA-5		
20 Apr	ATM withdrawal: Singapore Sector	-172,800	216,537,163
	After the machine lost power in a storm, the withdrawal waited 31 days for the relay to reconcile what the machine remembered. It remembered the sum correctly once it was back on, and the relay agreed with it. Ref. CIBT-3003-5ABC-9		
20 Apr	Transfer to own account: Singapore Sector	-14,674,504	201,862,659
	The newsletter subscription comes up on the 20th of each year. The newsletter has not been posted to you, but the subscription has, and the Bank has not yet found a way to cancel one without the other. Ref. CIBT-3003-215B-6		
30 Apr	Interest at 4.20% APY	+757,878	202,620,537
	You have left the interest on deposit for 3 consecutive periods without once checking the figure before the statement arrived. The branch takes this as a compliment, and the statement is now sent with a little less ceremony. Ref. CIBT-3003-998E-7

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
