Date	Description	Amount (s)	Balance (s)
04 Jul	Transfer to own account: New Orleans Sector	-4,456,629	18,787,338
	"I wrote 'as discussed' in the reason box," the holder says, "and the officer agreed that was a reason." The Bank has accepted the phrase, which is now on file for the purpose. Ref. CIBT-3024-655A-6		
11 Jul	ATM withdrawal: New Orleans Sector	-86,400	18,700,938
	The rounding rule for cash-time at New Orleans Sector runs to four clauses, and the machine applies all four, though only the first is printed on the receipt. The second has kept the holder's balance in order since 3021. Ref. CIBT-3024-2D4B-7		
18 Jul	Payroll credit: Cloudport Aerostat Lines	+184,940	18,885,878
	Reading the Cloudport Aerostat Lines remittance advice twice, the Teller remarked that it was the first honest figure to come from that office this year, and credited it without further comment. Ref. CIBT-3024-A2A7-6		
27 Jul	ATM withdrawal: New Orleans Sector	-172,800	18,713,078
	The 2 Standard days was overtime, drawn in cash at New Orleans Sector on a day Cloudport Aerostat Lines had marked as a holiday. The firm has since marked the day as a working one, and the machine has been asked to stand as witness. Ref. CIBT-3024-8180-0		
31 Jul	Interest at 3.90% APY	+75,542	18,788,620
	The fee on this line has been waived. The account was closed for an hour on the 31st for a change of mandate, and the interest was credited in that hour, which the Bank does not count as a day for charging purposes. Ref. CIBT-3024-6B29-8

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
