Opening balance	Credits	Debits	Closing balance
28,230,362 s	**+276,688 s**	**-1,309,901 s**	**27,197,149 s**

Date	Description	Amount (s)	Balance (s)
09 Jan	Slippage fee (Montréal Sector, 3 transfers)	-1,800	28,228,562
	The fee on 3 crossings has been calculated to the second, the second being the smallest unit this Bank puts on a statement, and the only unit it has ever needed to argue about. Ref. CIBT-3025-9C92-3		
13 Jan	Payroll credit: Cloudport Aerostat Lines	+184,940	28,413,502
	The credit from Cloudport Aerostat Lines arrived on the 13th. The employer's record shows it sent on the 13th of the following month. The Bank has filed it under the earlier date, and the employer has asked for no explanation. Ref. CIBT-3025-A23E-7		
17 Jan	ATM withdrawal: Montréal Sector	-86,400	28,327,102
	The Committee notes that One Standard day was dispensed at Montréal Sector in a denomination the machine does not hold. It was dispensed anyway, and the Committee has resolved to find out how. Ref. CIBT-3025-0932-8		
26 Jan	Transfer to own account: Montréal Sector	-1,048,901	27,278,201
	Cash of 1,048,901 was paid in at the counter as a sundry deposit. The Teller counted it twice and then asked whether you had brought anything else. You had not, and said so in the tone of someone who wished they had. Ref. CIBT-3025-EAE3-6		
29 Jan	ATM withdrawal: Montréal Sector	-172,800	27,105,401
	The withdrawal was held 29 days because the clerk who signs for the machine's cash was on a shuttle, and the shuttle keeps its own timetable. The cash was paid the morning she landed. Ref. CIBT-3025-691F-2		
31 Jan	Interest at 3.90% APY	+91,748	27,197,149
	The interest is 15 seconds larger this period, which is the sum of the seconds you did not withdraw last period. The Teller asked whether you had been counting them. You had, and she is satisfied the arithmetic is yours. Ref. CIBT-3025-6FC7-8

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
