Opening balance	Credits	Debits	Closing balance
31,784,449 s	**+860,429 s**	**-261,300 s**	**32,383,578 s**

Date	Description	Amount (s)	Balance (s)
03 Feb	ATM withdrawal: Oakland Sector	-86,400	31,698,049
	A receipt from Oakland Sector prints the date by the machine's own plate, which is set to a different day of the week from the Head Office's. The receipt is correct by the plate and the statement by the Bank, and the two have been written up together. Ref. CIBT-3003-72FE-2		
10 Feb	Payroll credit: Phobos Drydock	+136,888	31,834,937
	The 0.30 seconds charged on the Phobos Drydock credit was not taken from you. The payroll office asked for it to be taken from its own side of the transfer instead, and the Bank agreed, on the understanding that the office will not ask twice. Ref. CIBT-3003-6356-0		
19 Feb	ATM withdrawal: Oakland Sector	-172,800	31,662,137
	The Teller notes that the cash came out of Oakland Sector in the order you asked for it, which she has seen only once before, in 2998, and only from you. Ref. CIBT-3003-358C-5		
22 Feb	Slippage fee (Oakland Sector, 7 transfers)	-2,100	31,660,037
	You bring the slip for each transfer to the counter yourself, folded very small. The Teller unfolds it, reads it, and returns it with the fee written in pencil, and you have never once asked to see it written in ink. Ref. CIBT-3003-A2AA-3		
23 Feb	Deposit: Hall E	+612,296	32,272,333
	Your pay from Phobos Drydock came in as a single deposit on the 23rd, which the employer's office describes as its custom and the Bank describes as a relief. Nothing about it needed correcting. Ref. CIBT-3003-CA27-5		
28 Feb	Interest at 4.20% APY	+111,245	32,383,578
	The Teller asked whether the interest was enough. You said it was the interest's business and not yours, the Teller agreed, and the interest was paid in full. Ref. CIBT-3003-1EAD-9

March 3002 — February 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
