Opening balance	Credits	Debits	Closing balance
143,926,387 s	**+1,478,649 s**	**-2,165,522 s**	**143,239,514 s**

Date	Description	Amount (s)	Balance (s)
12 Sep	Mech Veterans' Time Pension	+328,586	144,254,973
	One 0.945 of the pension has been sent to the Memory Vault, as you instructed, and the Vault's receipt describes the transfer as a deposit made on the day of your discharge. The receipt is filed with the statement. Ref. CIBT-3003-2784-1		
17 Sep	ATM withdrawal: Svalbard	-172,800	144,082,173
	The Teller counted the notes twice at the window, once for you and once because you had asked how many there were. The figure was the same both times, which she describes as the only pleasant surprise of the morning. Ref. CIBT-3003-FCEB-0		
21 Sep	ATM withdrawal: Svalbard	-172,800	143,909,373
	The cash-time machine at Svalbard pays out only in whole days, so the 0.969 left over stays in the account and appears on the next line as a credit. Nothing is owed on the remainder, which may be spent or left where it is. Ref. CIBT-3003-0D26-8		
23 Sep	Transfer to own account: Svalbard	-1,819,922	142,089,451
	The credit from Ada Rasmussen was held 30 days at the Svalbard office while the sender's clerk confirmed that the reference had been copied as it appeared on the form. It had, and the sum has been posted in full. Ref. CIBT-3003-7001-8		
28 Sep	Payroll credit: Ganymede Heights Infirmary	+694,297	142,783,748
	The late-credit charge on the Ganymede Heights Infirmary wages has been waived. The payroll office sent its apology in the same envelope as the sum, which is a cheap way to deliver an apology and a good deal cheaper than the alternative. Ref. CIBT-3003-5116-3		
30 Sep	Interest at 3.80% APY	+455,766	143,239,514
	A fee of 0.30 s on the late posting of the interest has been waived. The delay was not the depositor's, and the Bank has been reminded that it does not charge for its own slowness, however long that takes. Ref. CIBT-3003-1A79-4

October 3002 September 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
