Date	Description	Amount (s)	Balance (s)
18 Jul	Transfer to own account: Venus	-81,267,182	784,265,076
	A sundry was posted twice, once in days and once in seconds, because the Venus desk sent its slip in both forms and the Bank read both. The duplicate has been removed. The desk has been asked to send one form, and has replied that the second is how it knows the first is its own. Ref. CIBT-2985-C93C-8		
19 Jul	Slippage fee (Venus, 2 transfers)	-1,800	784,263,276
	Your employer's office runs 0.30 seconds ahead of the reference clock on the days it pays you. The reconciliation hall has entered that in its own column and not in yours. Ref. CIBT-2985-A766-4		
24 Jul	Payroll credit: the Authority Records Office	+8,639,031	792,902,307
	You have had the Authority Records Office credit moved to 8564-6467-9708 on the same afternoon every month since 2980, and each time you have left the other half on deposit without comment. The officers have taken this to be the arrangement. Ref. CIBT-2985-C2E9-9		
28 Jul	Transfer to joint account	-5,183,418	787,718,889
	Renewed nine times without a change of figure, the joint mandate was checked each time against the one before it, and the second holder's initials sit in the same place on all nine. The auditors ask that this be recorded as the single thing about the account that has never moved. Ref. CIBT-2985-965B-6		
31 Jul	Interest at 4.70% APY	+3,390,001	791,108,890
	You have left the interest on deposit for 3 consecutive periods without once checking the figure before the statement arrived. The branch takes this as a compliment, and the statement is now sent with a little less ceremony. Ref. CIBT-2985-6466-0
