Date	Description	Amount (s)	Balance (s)
05 May	ATM withdrawal: The Belt	-86,400	103,596,770
	You stand in front of the Belt machine for a short time before pressing any key, as if confirming the balance by eye. The custodian notes that the machine has never once disagreed with you. Ref. CIBT-3003-1900-0		
11 May	Slippage fee (The Belt, 1 transfers)	-900	103,595,870
	A cable carrying the Belt signal was cut by a utility crew on the 11th. The transfers were held until it was spliced. The crew has been thanked for the splice, which was done neatly enough to be missed. Ref. CIBT-3003-B1A6-2		
13 May	Transfer to own account: The Belt	-6,550,264	97,045,606
	You have never once queried a sundry line on your statement. The figures have agreed every time, which the officers have come to read as a kind of courtesy. Ref. CIBT-3003-2CCD-0		
31 May	Interest at 3.90% APY	+336,970	97,382,576
	Interest accrues at the close of the Belt day, which runs a good deal longer than the day printed at the head of this statement. The period therefore holds one extra day that the label does not mention, and the Bank has elected to pay interest on it. Ref. CIBT-3003-BEA6-2
