Standard Time Deposit

Lio Xiomara
Unit 82, Pallas Ring 10

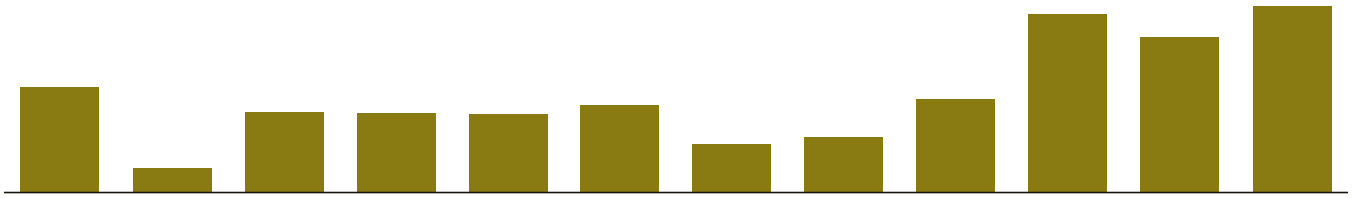

Account 8564-6664-0708
Period 1–30 June 2944
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
49,198,842 s	**+1,317,471 s**	**-299,146 s**	**50,217,167 s**

Date	Description	Amount (s)	Balance (s)
04 Jun	Deposit: Hall E	+805,540	50,004,382
	No counter fee applies. The packet came back across the counter once for a missing signature, and the Bank does not charge a holder for a second trip, which it has learned to regard as the one thing the holder has never asked to change. Ref. CIBT-2944-510D-9		
14 Jun	Transfer to joint account	-126,346	49,878,036
	The Belt office gives each joint receipt a second date in the local script, which the Bank translates into Standard days and back again for the holders. No translation has yet been disputed. Ref. CIBT-2944-7882-8		
15 Jun	Payroll credit: St. Catherine Bakeries	+210,577	50,088,613
	The wage was earned and paid on the same day, which the payroll office describes as rare enough to be worth a line of its own. The Bank has therefore put it on a line of its own and left the rest of the page as it was. Ref. CIBT-2944-D977-6		
24 Jun	Mech Veterans' Time Pension	+133,258	50,221,871
	The second column shows the interest the Pensions Office reckons on this pension. It was checked against the first column, and the first against your discharge papers, in the order the office prefers and in no other. Ref. CIBT-2944-C62C-9		
24 Jun	ATM withdrawal: The Belt	-172,800	50,049,071
	Only when the concourse is quiet do you use the machine at The Belt. The officer on duty has stopped asking why, and now checks the panel on those days so that it is ready for you. Ref. CIBT-2944-AB15-4		
30 Jun	Interest at 4.10% APY	+168,096	50,217,167
	Interest of 168,096 was rounded to the nearest hundredth of a second, the Bank's usual practice, and the hundredth not paid is carried forward without interest on it. The carried fraction has never amounted to a full second, and nobody has claimed it. Ref. CIBT-2944-3C67-8

July 2943 June 2944

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
