Opening balance	Credits	Debits	Closing balance
10,064,265 s	**+929,049 s**	**-203,950 s**	**10,789,364 s**

Date	Description	Amount (s)	Balance (s)
10 Jul	ATM withdrawal: Mars Station	-86,400	9,977,865
	The cash-time withdrawal at Mars Station was counted once by the machine and once by you, and both counts gave 86,400. The officer on the concourse asked which one he should record. You said the one that agreed with the other. Ref. CIBT-3003-C377-6		
13 Jul	Deposit: Hall E	+743,645	10,721,510
	Nothing is charged for the 0.985 that was left in the envelope. It was returned to you at the window, and you did not ask for it, which the counter has noted as the usual arrangement. Ref. CIBT-3003-576B-6		
21 Jul	Payroll credit: Cloudport Aerostat Lines	+154,373	10,875,883
	The credit from Cloudport Aerostat Lines is a wage, the payroll office asks us to record, and not a gift. The difference between the two is kept in its own file at the Head Office, where it is not paid out. Ref. CIBT-3003-EACF-9		
27 Jul	ATM withdrawal: Mars Station	-86,400	10,789,483
	A withdrawal of One Standard day keyed at Mars Station on the 27th is dated the following day, since the machine keeps the concourse's day and not the counter's. Nothing is owed on the difference, and the interest runs from the day of the request. Ref. CIBT-3003-C08C-6		
28 Jul	Temporal Health Plan	-31,150	10,758,333
	Every claim is for the same physiotherapist, on the same weekday, at the same hour, and the plan has started to show your name on its schedule as a timetable, with a line for each visit. Ref. CIBT-3003-EBA2-8		
31 Jul	Interest at 3.70% APY	+31,031	10,789,364
	The interest slip came back to the counter folded the wrong way, and the officer remarked that it had been folded by someone who expected it to be read from the inside. The figure is the same from either side, and she has checked both. Ref. CIBT-3003-5EDC-5

August 3002 July 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
