Date	Description	Amount (s)	Balance (s)
06 Jan	ATM withdrawal: Titan	-259,200	15,106,541
	You take the first and last notes from each withdrawal at Titan and leave the middle one in the slot. The custodian stopped retrieving it some years ago, and the Bank now records it as a donation to the machine. Ref. CIBT-3003-6AE1-5		
06 Jan	Deposit: Hall E	+2,637,625	17,744,166
	Audit found 10 envelopes deposited on the 6th were recorded as one, because they had been sealed together. Each has since been opened, counted and entered separately, and the total is exactly what it was. Ref. CIBT-3003-F6EE-0		
15 Jan	Payroll credit: Interworld Post	+138,404	17,882,570
	Your pay was credited on the 15th, the day the Bank had closed to balance its own books, so the credit went into a ledger that was not yet open to anyone else. The officer describes it as the cleanest arrival on record. Ref. CIBT-3003-2AA6-2		
19 Jan	Memory Vault: box 83-426, quarter	-259,200	17,623,370
	You carry the box's key in your left hand and the rent in your right, and the custodian has learned to take the rent before the key is shown, which saves about a minute each quarter. Ref. CIBT-3003-8240-4		
21 Jan	ATM withdrawal: Titan	-259,200	17,364,170
	Auditors note that the machines at Titan are serviced on a fixed day, and that this withdrawal fell on the day before. The sample took it as a point in the Bank's favour. Ref. CIBT-3003-7CEC-6		
31 Jan	Interest at 3.70% APY	+47,377	17,411,547
	You asked whether the interest should be read aloud or left on the page to be read. You chose the page, and the counter has since read it aloud to you anyway, as the page seemed to expect. Ref. CIBT-3003-884D-0		

Closing balance, month by month

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
