Date	Description	Amount (s)	Balance (s)
20 Aug	Payroll credit: Interworld Post	+138,404	12,050,850
	Reconciled against the employer's ledger on the 20th. The ledger is kept in cycles and the statement in Interworld Post's own figures, and the two were brought together by hand, which the auditors describe as slow and correct. Ref. CIBT-3003-87E2-8		
20 Aug	ATM withdrawal: Io	-86,400	11,964,450
	A withdrawal from a joint account was shown against the wrong holder. The machine recorded your name, as it should, and the statement now shows Zeno Quaresma as the other holder of the One Standard day taken for both. Ref. CIBT-3003-59E7-2		
22 Aug	ATM withdrawal: Io	-86,400	11,878,050
	Kesi Yardley says a machine that pays out in whole cycles is the Bank's way of agreeing that nobody is owed the last second. Ref. CIBT-3003-D137-1		
28 Aug	Turbulence Cover	-25,201	11,852,849
	Turbulence Cover, a half-share on a family crossing, rounded to the nearest 6 seconds. The half-share is recorded on the joint account with Zeno Quaresma, who asked for it and has not said why. Ref. CIBT-3003-B280-8		
28 Aug	Transfer to own account: Io	-1,089,878	10,762,971
	Interworld Post raised the sundry against your wage for a replacement lanyard, a charge the office says it meant to explain to you in 3000. The explanation is attached: the lanyard was yours, and the replacement was your idea. Ref. CIBT-3003-267E-6		
31 Aug	Interest at 3.70% APY	+36,730	10,799,701
	You keep a figure in pencil on the back of each slip and check the interest against it before the statement is opened. The two have agreed for 9 years. The officers no longer ask to see the pencil and have begun to ask after the lead. Ref. CIBT-3003-6B4F-0

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
