Opening balance	Credits	Debits	Closing balance
9,242,766 s	**+3,267,095 s**	**-283,458 s**	**12,226,403 s**

Date	Description	Amount (s)	Balance (s)
16 Jan	ATM withdrawal: Venus	-259,200	8,983,566
	Taken out on the morning the Europa Ice Authority posted your pay, at Venus. Cash taken on the day wages arrive is, the officer on the concourse says, the oldest arrangement on the platform, and the machine has never asked for an explanation. Ref. CIBT-2999-9514-2		
16 Jan	Slippage fee (Venus, 5 transfers)	-3,000	8,980,566
	The slippage on your last statement was calculated across 5 crossings when only 15 had been made. Two of the transfers were in the wrong month's queue. The fee has been recalculated across 15 crossings, and the difference of 0.30 s is credited below. Ref. CIBT-2999-D0D2-5		
24 Jan	Temporal Health Plan	-21,258	8,959,308
	A session shorter than the schedule's minimum is paid as the minimum, which on your last claim was 8 minutes of an appointment you do not remember finishing early. The plan rounded the difference up in your favour, which it regards as the least it can do for a visit that ended without anyone noticing. Ref. CIBT-2999-F49C-7		
28 Jan	Deposit: Hall E	+3,230,895	12,190,203
	The 0.30 s counter fee has been waived. The envelope was returned to you once for a missing signature, and the Bank regards a second trip to the window as its own inconvenience. Ref. CIBT-2999-186F-0		
31 Jan	Interest at 4.70% APY	+36,200	12,226,403
	The interest on your staff savings at the Europa Ice Authority is credited here monthly. The fee on it would have been 0.30 s, and the Europa Ice Authority has asked that the fee be recorded as waived, which the Bank has agreed to record. Ref. CIBT-2999-791F-2

October 2998 January 2999

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
