Date	Description	Amount (s)	Balance (s)
03 Jul	ATM withdrawal: London Sector	-172,800	475,908,759
	The withdrawal was held 29 days because the clerk who signs for the machine's cash was on a shuttle, and the shuttle keeps its own timetable. The cash was paid the morning she landed. Ref. CIBT-3018-F215-6		
20 Jul	ATM withdrawal: London Sector	-259,200	475,649,559
	You use the machine at London Sector on the way to the Hall E counter, and bring the receipt to be stamped. The Teller now stamps it before you arrive. You have not asked her to, and you have not asked her not to. Ref. CIBT-3018-A6EA-7		
21 Jul	Slippage fee (London Sector, 4 transfers)	-1,200	475,648,359
	A fee that falls on an exact half-second is charged to the holder on an even-numbered crossing of the month and not on an odd one, so the holder pays the whole second on one crossing and nothing on the next. Ref. CIBT-3018-1631-7		
25 Jul	Transfer to own account: London Sector	-5,097,323	470,551,036
	You bring your sundry slips to the Hall E counter in one envelope on the last working day of each quarter, and the officers now collect them from you at the door. Ref. CIBT-3018-AAD4-4		
26 Jul	Transfer to joint account	-3,508,685	467,042,351
	Belt Ore Consolidated pays a sum into the joint account on the day its crane crews are paid, a date the holders have never been able to match to any day on a calendar the Bank keeps. Ref. CIBT-3018-2136-8		
28 Jul	Payroll credit: Belt Ore Consolidated	+5,847,808	472,890,159
	The wage was earned and paid on the same day, which the payroll office describes as rare enough to be worth a line of its own. The Bank has therefore put it on a line of its own and left the rest of the page as it was. Ref. CIBT-3018-F8D9-5		
31 Jul	Interest at 4.90% APY	+1,943,999	474,834,158
	The sum was kept in an envelope marked for the dentist for 9 periods, and the interest, which knows nothing of hiding places, found the balance there and credited it on the usual day. Ref. CIBT-3018-9FFA-6		

Closing balance, month by month

August 3017 July 3018

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
