Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
757,835,624 s	**+8,942,303 s**	**-48,418,200 s**	**718,359,727 s**

Date	Description	Amount (s)	Balance (s)
03 Jan	Transfer to joint account	-3,508,685	754,326,939
	The joint sum is divided at the mandate's percentage and rounded to the nearest second before the shares are set. The odd second goes to whichever holder's name has more letters, a rule the mandate's drafter introduced in 3026 without explanation. Ref. CIBT-3029-4F5B-7		
07 Jan	Payroll credit: Belt Ore Consolidated	+5,847,808	760,174,747
	Wages from Belt Ore Consolidated were held 28 days in a tray that had been marked for another branch, since the tray was the one nearest the door. They have been released in the order they came in, and the tray has been asked to find a label of its own. Ref. CIBT-3029-8E3B-8		
19 Jan	Transfer to own account: Callisto	-44,905,315	715,269,432
	Belt Ore Consolidated has asked that the sundry for your training course be treated as a company expense, which it is, and that your name be left off the slip, which it is not, because the Bank keeps names on slips. Ref. CIBT-3029-0DD5-3		
27 Jan	Slippage fee (Callisto, 7 transfers)	-4,200	715,265,232
	The Callisto relay was run by one operator for 30 days while the usual one took leave. The operator sent every transfer on the day it was received, and asks us to say that this was not a complaint. Ref. CIBT-3029-4562-5		
31 Jan	Interest at 4.90% APY	+3,094,495	718,359,727
	The interest for 3 months was posted in a single line on the 31st, which the officers prefer and you did not ask for. The line is longer than most. The Teller reads it aloud once for the figure and once for the months it covers, which takes a little longer than the figure does. Ref. CIBT-3029-91B6-2		

Closing balance, month by month

Highest 757,835,624 s · lowest 656,085,423 s

February 3028 January 3029

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
