Date	Description	Amount (s)	Balance (s)
03 Jun	ATM withdrawal: New Orleans Sector	-86,400	620,032,665
	The machine at New Orleans Sector dispensed 0.960 day and printed the full sum on its receipt. The custodian, who has read a great many receipts from that machine, recommends that you keep yours somewhere dry. Ref. CIBT-3029-6195-9		
11 Jun	Transfer to own account: New Orleans Sector	-75,055,306	544,977,359
	You pay the sundry in exact coin, counted out on the counter in the order you were taught as a child. The officer checks each one against the next and says nothing, which is how the Bank knows it is being paid properly. Ref. CIBT-3029-AE5B-9		
17 Jun	Transfer to joint account	-3,508,685	541,468,674
	The monthly transfer to 8564-3100-5037 has been made from this account on the 17th since 3026, in the same sum and with the same pen. Each holder signs the slip with the other's name on the line beneath, which the Bank has come to read as a signature. Ref. CIBT-3029-B30C-8		
25 Jun	Payroll credit: Belt Ore Consolidated	+5,847,808	547,316,482
	The Teller counted the Belt Ore Consolidated wage and noted that it matched the remittance advice exactly. She asks that this be recorded, since it is the first time it has happened on this account, and she has been asked to say so for the file. Ref. CIBT-3029-0DFE-1		
30 Jun	Interest at 4.90% APY	+2,532,152	549,848,634
	The staff bonus from Belt Ore Consolidated is paid into this account each spring. The firm's pay office books it as interest because it prefers the word, and the Bank has followed the firm's wording on the line and not the wording of the scheme. Ref. CIBT-3029-6116-2

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
