Opening balance	Credits	Debits	Closing balance
38,317,801 s	**+1,845,412 s**	**-345,600 s**	**39,817,613 s**

Date	Description	Amount (s)	Balance (s)
04 Jan	Deposit: Hall E	+1,236,852	39,554,653
	No fee is charged on this deposit because it did not leave the building: the sum was moved from the Hall E vault to your account, a distance of four metres, and the officer has entered the move as a courtesy and a relocation. Ref. CIBT-3025-8B69-5		
12 Jan	Payroll credit: Cloudport Aerostat Lines	+477,641	40,032,294
	The Cloudport Aerostat Lines pay was rounded to the nearest 45 seconds, but the office rounds its own totals down before it sends them, so the figure on your line is never more than the hours produced. The remainder stays with the payroll office, which has never said what it does with it. Ref. CIBT-3025-B165-4		
13 Jan	ATM withdrawal: London Sector	-259,200	39,773,094
	You count the cash twice at the machine before you take it, and the machine has learnt to pause. The second count is always the same, and you always say so, aloud, to no one. Ref. CIBT-3025-FBCB-1		
23 Jan	ATM withdrawal: London Sector	-86,400	39,686,694
	The receipt for the 23rd was posted 29 days late, because the relay at London Sector wished to be sure the machine had not been asked the same question twice. It had not. The relay was satisfied, and has asked for the question to be recorded in case it arrives again. Ref. CIBT-3025-A073-1		
31 Jan	Interest at 4.10% APY	+130,919	39,817,613
	The charge for the interest statement was struck, and the sum it would have cost has been added to the balance, where it earns at the posted rate for the rest of the year. Ref. CIBT-3025-D059-8		

Closing balance, month by month

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
