| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 06 Oct | ATM withdrawal: Montréal Sector | -172,800 | 20,666,078 |
| | No charge is made for the withdrawal at Montréal Sector, which was taken on the day of the machine's annual service. The machine was open to customers for one hour, and the Bank has decided that the hour was enough. Ref. CIBT-3014-3AAF-1 | | |
| 08 Oct | Transfer to own account: Montréal Sector | -1,914,625 | 18,751,453 |
| | You have never queried a sundry in writing. You query them in person, politely, at the counter, and withdraw the query at the next counter before the form has been stamped. The officers keep both forms, one above the other. Ref. CIBT-3014-34ED-0 | | |
| 17 Oct | Payroll credit: Kepler Ring Hydroponics | +131,178 | 18,882,631 |
| | The wage was rounded to the nearest whole second on the employee's own written instruction, which gave the reason as "it looks neater". The instruction is on file. It is the only one of its kind the auditors have seen. Ref. CIBT-3014-0ADF-1 | | |
| 31 Oct | Interest at 3.80% APY | +65,989 | 18,948,620 |
| | The interest was worked to the second on the Bank's own tables of rounded seconds, which is printed in a smaller type than the rest of the statement and is read with a glass. The figure agrees with the table to the last digit. Ref. CIBT-3014-D9FB-1 | | |
