Date	Description	Amount (s)	Balance (s)
09 Aug	Transfer to own account: Bronx Sector	-3,221,778	74,657,959
	The Bronx Sector transfer desk takes sundry instructions only in days, so this sum was converted twice: once at the window and once at the Head Office. The two results were a second apart, and the second has been retained by the Bank. Ref. CIBT-3014-4475-2		
15 Aug	Slippage fee (Bronx Sector, 4 transfers)	-1,200	74,656,759
	Your slippage is charged in Standard days, which are the Head Office's, not Bronx Sector's. The Bronx Sector branch keeps a day of its own, and the two were reconciled by a clerk who went home early and was not seen again until the next working day. Ref. CIBT-3014-88AD-5		
21 Aug	ATM withdrawal: Bronx Sector	-259,200	74,397,559
	The withdrawal on the 21st was made after the local day had closed, so the machine filed it under the following morning. It is dated here to the hour you asked for it, and nothing was charged until the next Standard day. Ref. CIBT-3014-DD19-2		
22 Aug	Payroll credit: Brymar College	+382,840	74,780,399
	Paid from a station on the Bronx Sector ring, where the pay office works a shift ahead of the Bank's own day. The credit reached Hall E a shift early and was held for you in the night safe until the day it belonged to. Ref. CIBT-3014-4A12-6		
31 Aug	Interest at 3.90% APY	+253,109	75,033,508
	The statement for this period showed the interest twice, once on the line for the month and once in the carried-forward balance. The carried-forward line was in error and has been removed. The interest was paid once, as it always is. Ref. CIBT-3014-72C9-9

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
