Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
55,308,034 s	**+3,890,426 s**	**-261,000 s**	**58,937,460 s**

Date	Description	Amount (s)	Balance (s)
06 Jan	Payroll credit: Brymar College	+382,840	55,690,874
	Your wages from Brymar College arrive every second Friday, and the Bank has learned to expect them on the day rather than after it. The fortnight has been counted since 3021 and has never once been missed. Ref. CIBT-3025-CAF4-6		
12 Jan	Slippage fee (Lagos Sector, 6 transfers)	-1,800	55,689,074
	The relay's clock was 41 seconds behind the Head Office's on the day of your crossing, which the relay has been asked to explain. It did not. The fee was charged on the difference, which was small, and the transfer arrived on time by the relay's clock, which is the only clock the transfer ever travelled by. Ref. CIBT-3025-27E5-9		
26 Jan	Memory Vault: box 27-275, quarter	-259,200	55,429,874
	Quarterly rent for box 27-275 was paid in days at Lagos Sector and converted here at the Vault's rate on the day it arrived. The conversion favoured you by 2,100 seconds, and the Vault has not yet decided what to do with them. Ref. CIBT-3025-5823-2		
26 Jan	Deposit: Hall E	+3,327,835	58,757,709
	Brymar College put its own deposit into the same envelope as yours, and a clerk has been asked to separate them. The clerk asks that Brymar College not be told, since the clerk has no intention of being thanked for the arithmetic. Ref. CIBT-3025-3CA0-3		
31 Jan	Interest at 3.90% APY	+179,751	58,937,460
	A fraction of a second was lost when the interest was converted from days, because the conversion table was printed one line too early. The line has been reprinted, and the second is returned, with the Bank's compliments on its arithmetic. Ref. CIBT-3025-9D82-3		

Closing balance, month by month

February 3024 January 3025

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
