Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
68,083,397 s	**+221,271 s**	**-2,347,899 s**	**65,956,769 s**

Date	Description	Amount (s)	Balance (s)
16 Jul	Memory Vault: box 27-275, quarter	-259,200	67,824,197
	Box 27-275 came down to the lower sub-level 31 Standard days late, because the stairs were being rebuilt in the reverse order and the custodians walked the old flight in the meantime. They reached the box by the new one in the end, a little out of breath, and the rent was not held back for their exercise. Ref. CIBT-3029-58A5-3		
16 Jul	Transfer to own account: Delhi Sector	-2,001,699	65,822,498
	Brymar College reimburses the Bank for a dock space at Delhi Sector that it rents by the second and has, for once, not used. The employer's accounts office believes the charge is fair, and the Bank has passed the question on. Ref. CIBT-3029-7F28-7		
21 Jul	Slippage fee (Delhi Sector, 1 transfers)	-600	65,821,898
	Brymar College has asked that its slippage be shown apart from yours. It cannot be: the two accounts cross the same relay on the same day, and the fee on that crossing has been divided between them, to the second. Ref. CIBT-3029-3FEE-5		
26 Jul	ATM withdrawal: Delhi Sector	-86,400	65,735,498
	Your withdrawal was posted 28 days late because the concourse door at Delhi Sector was kept shut on the 26th for a survey of the ceiling. The machine was on the wrong side of the door, and the survey took the whole day. Ref. CIBT-3029-71B7-1		
31 Jul	Interest at 3.90% APY	+221,271	65,956,769
	The fee on the 31 seconds of interest carried over from last period has been waived. It was not large, and nobody was owed it, and the Bank would rather not explain the difference. Ref. CIBT-3029-F9E0-0

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
