Opening balance	Credits	Debits	Closing balance
2,136,015,358 s	**+17,816,378 s**	**-93,296,835 s**	**2,060,534,901 s**

Date	Description	Amount (s)	Balance (s)
14 Jan	ATM withdrawal: Phobos	-172,800	2,135,842,558
	The machine at Phobos was 26 minutes slow to hand over the 2 Standard days. It had been waiting for the relay to confirm that the shortfall of 0.968 was not yours. It was not. It was the relay's. Ref. CIBT-3011-3E86-7		
18 Jan	Transfer to own account: Phobos	-93,037,635	2,042,804,923
	St. Catherine Bakeries pays the postage on your sundries as a benefit and asks only that the stamps be left unused, which the Bank regards as a quiet and ordinary thing to ask of a stamp. Ref. CIBT-3011-B132-3		
21 Jan	Payroll credit: St. Catherine Bakeries	+10,162,323	2,052,967,246
	Each pay day you ask for the St. Catherine Bakeries envelope back, empty, and hold it up to the window before you go. The officers no longer ask why. They hand it over with the slip, as though the envelope were part of the sum. Ref. CIBT-3011-1EF1-4		
29 Jan	ATM withdrawal: Phobos	-86,400	2,052,880,846
	A withdrawal made on the 29th was not posted until 31 days later, because the machine at Phobos had been serviced and its ledger carried away to be read by hand. The custodian who read it reports that the figures had been right all along; the machine had simply not been asked. Ref. CIBT-3011-AAB3-4		
31 Jan	Interest at 4.30% APY	+7,654,055	2,060,534,901
	The window shuts at the hour the day is closed for interest, one second before the clock says so, and the figure is rounded to the second at that moment. The rule was set in 3009 and has not been changed to suit anybody. Ref. CIBT-3011-16B3-7

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
