Date	Description	Amount (s)	Balance (s)
06 May	ATM withdrawal: São Paulo Sector	-172,800	1,186,389,932
	The withdrawal on the 6th was first posted to a neighbour's account with a similar number. It has been moved to yours, and the balance on this statement is the one the machine gave you. Ref. CIBT-3022-1BAF-9		
18 May	Transfer to own account: São Paulo Sector	-48,996,936	1,137,392,996
	The sundry charge at São Paulo Sector for a lost key is paid in the station's own units, converted at the posted rate and then rounded up, as local custom requires. The custom is older than the ledger and has never been shown to be wrong. Ref. CIBT-3022-4BD5-8		
21 May	Payroll credit: St. Catherine Bakeries	+10,162,323	1,147,555,319
	30 Standard days' wages from St. Catherine Bakeries, paid in days and converted at the posted rate on the day of receipt. The remitter's clock ran 55 seconds ahead of ours during the transfer window; the difference has been absorbed under the Interworld Settlement Arrangement and does not appear as a fee. Ref. CIBT-3022-7505-8		
25 May	New Time™ exchange	+25,308	1,147,580,627
	The office at São Paulo Sector prints its receipts on the same paper as its lunch menus, and asks holders not to confuse the two. The receipt for 25,308 is the one with the soup stain, and it is the valid one. Ref. CIBT-3022-59C3-7		
31 May	Interest at 4.30% APY	+4,251,849	1,151,832,476
	Interest on the balance is paid in arrears, which means the Bank pays you for a period you have already forgotten. You remember it on the 31st and come to the window to say so, and the Teller says the Bank had remembered it first. Ref. CIBT-3022-E252-1
