Date	Description	Amount (s)	Balance (s)
10 Mar	Transfer to own account: Phobos	-46,356,143	2,603,627,003
	The rate applied to this sundry was the rate of the previous quarter, which the teller noticed and reported to Greta Hightower. The difference of 0.30 seconds has been credited back to you in full, and the old rate has been withdrawn from the table it came from. Ref. CIBT-2971-DC66-4		
11 Mar	ATM withdrawal: Phobos	-172,800	2,603,454,203
	2 Standard days is collected each quarter from the Phobos machine, placed in an envelope with your name in pencil, and left at the Hall E counter. The envelope is always handed over sealed and always signed for, and nobody has yet asked what is in it. Ref. CIBT-2971-467E-1		
11 Mar	Temporal Health Plan	-31,075	2,603,423,128
	The clinic at Phobos keeps its own day, so the consultation was dated by its sun. The plan paid it on the day the clinic's receipt reached our desk, which is the day we record. Ref. CIBT-2971-383F-9		
17 Mar	ATM withdrawal: Phobos	-86,400	2,603,336,728
	Your receipt goes home with you each time, kept together with a paperclip rusted to the corner, so that the balance and the receipt can be found in the same place. The Teller finds this helpful and has never said so. Ref. CIBT-2971-B41B-4		
21 Mar	Lyric Licensing Desk	-79,516	2,603,257,212
	Each month the Desk raises a small royalty on this verse for performances it cannot see, and each month the royalty is returned with a note that nothing was heard. The notes are kept in a box, which is now the largest item on the holder's file. Ref. CIBT-2971-95B6-1		
23 Mar	Payroll credit: Phobos Drydock	+5,691,942	2,608,949,154
	The remittance from Phobos Drydock arrived with its advice attached upside down. The clerk turned it the right way up, and the advice then agreed with the credit, which the clerk regards as the proper order of things. Ref. CIBT-2971-FC1B-3		
23 Mar	Turbulence Cover	-7,316	2,608,941,838
	The carrier apologised for the delay before it had begun, and the Bank has filed the apology with the claim. The claim is for 41 minutes and the apology covered the same period, so the claim is paid in full. Ref. CIBT-2971-2E3E-0		
30 Mar	Transfer to joint account	-3,415,165	2,605,526,673
	Asked whether the statement should go to one address or two, Faro Zelenko-Grisolm said two and you said one. The Teller has sent it to the branch, which has agreed to forward both. Ref. CIBT-2971-FFF0-9		
31 Mar	Interest at 3.60% APY	+7,949,949	2,613,476,622
	The rate on the front of this statement was printed correctly and the figure beneath it was not. The figure has been recalculated from the rate; the amount credited is the one you were always owed. Ref. CIBT-2971-61D8-8

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
