Period 1–31 January 2989
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
1,935,021,288 s	**+99,692,946 s**	**-3,449,941 s**	**2,031,264,293 s**

Date	Description	Amount (s)	Balance (s)
05 Jan	Deposit: Hall E	+88,195,941	2,023,217,229
	Your deposit spent 29 days in the relay's queue behind a consignment of tea, which the relay's officers consider to have been ahead of you in the order of things. They have said so several times, with feeling. Ref. CIBT-2989-170A-7		
08 Jan	Turbulence Cover	-15,362	2,023,201,867
	Every premium is paid in exact coin, counted out on the counter in the order the policy lists its routes, which the underwriters say makes the carrier's manifest easier to read. Ref. CIBT-2989-8891-8		
16 Jan	Temporal Health Plan	-19,414	2,023,182,453
	The cover period on the last statement was shown 9 days short, a keying error. It has been extended. You may keep the extra days; the plan has entered them as a courtesy and not as a claim. Ref. CIBT-2989-E3C7-2		
21 Jan	Payroll credit: Phobos Drydock	+5,691,942	2,028,874,395
	No fee on this credit. It arrived at Hall E in a sealed envelope from the Phobos Drydock office, and the Bank does not charge for paper that has come the roundabout way round. Ref. CIBT-2989-EF47-6		
27 Jan	Transfer to joint account	-3,415,165	2,025,459,230
	Svalbard's office pays its share in the local morning, which falls before ours. Each month the joint balance is correct in two places for a short while before it is correct in one. Ref. CIBT-2989-E729-1		
31 Jan	Interest at 3.60% APY	+5,805,063	2,031,264,293
	Most people never look at the working. The Bank publishes it so that anyone who wants to can check it, and most who do then go back to bed. Ref. CIBT-2989-1AAA-4		

Closing balance, month by month

Highest 2,031,264,293 s · lowest 1,617,768,023 s

February 2988 January 2989

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
