Period 1–31 January 3003
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
0 s	**+30,917,309 s**	**-3,972,960 s**	**26,944,349 s**

Date	Description	Amount (s)	Balance (s)
03 Jan	Slippage fee (Titan, 8 transfers)	-2,400	-2,400
	The fee was held 30 days while the relay's operator tested the crossing against a second route, which proved to be the same route under a different number on the board. The fee has been taken on the first route, which is the one the transfer took. Ref. CIBT-3003-EF16-0		
16 Jan	Deposit: Hall E	+30,917,309	30,914,909
	This is your fifth deposit of the year, made on the 16th as it has been since the lease began. The officers count the notes before you arrive, and the count has never been off. Ref. CIBT-3003-089C-6		
19 Jan	ATM withdrawal: Titan	-172,800	30,742,109
	The Teller has no complaint about the machine at Titan. Her complaint is the queue behind it, which on Fridays contains the same tall man reading the same newspaper, and who has never once reached the front. Ref. CIBT-3003-0DF4-6		
22 Jan	ATM withdrawal: Titan	-172,800	30,569,309
	The same 2 Standard days, in the same notes, each month. The next morning the branch asks whether it was the same notes. It was, and a set has been kept aside for you. Ref. CIBT-3003-C7FF-0		
25 Jan	Transfer to joint account	-3,624,960	26,944,349
	Every quarter the joint account transfers 3,624,960 to 8564-9364-5316 and takes 41 d 22:56:00 back in the same hour, as though checking that the account still works. Nobody at Hall E has asked why, and the Bank has not needed to ask. Ref. CIBT-3003-7952-3		
31 Jan	Interest at 4.20% APY	+0	26,944,349
	Interest of 0 arrived at Hall E with the rate written on the lid of the tin it was carried in. The Bank does not usually accept a lid as evidence, but the rate was correct, and the tin has been kept at the counter for the depositor to collect. Ref. CIBT-3003-87A7-9

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
