Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
129,774,567 s	**+1,551,869 s**	**-435,600 s**	**130,890,836 s**

Date	Description	Amount (s)	Balance (s)
04 May	ATM withdrawal: Singapore Sector	-172,800	129,601,767
	Notes at Singapore Sector come out in fives, so a sum that is not a multiple of five stays in the machine until the next customer asks for it. The Bank has agreed that the next customer is you. Ref. CIBT-2986-6EFE-9		
09 May	Slippage fee (Singapore Sector, 6 transfers)	-3,600	129,598,167
	On Mars the relay keeps the Mars day, which runs 27 hours longer than ours, so transfers sent there wait for the sun before they are charged. No fee is owed for the sun, and the Mars office has asked that this be stated in the margin, where it is. Ref. CIBT-2986-D11C-0		
11 May	ATM withdrawal: Singapore Sector	-259,200	129,338,967
	Your Ganymede Heights Infirmary paid the fee on this withdrawal on your behalf, and the Bank has credited it to the employer's account as the employer requested. The employer asked to be told when the fee was paid. It has been told, and it has not said what it thought. Ref. CIBT-2986-6FBD-5		
18 May	Deposit: Hall E	+1,151,731	130,490,698
	The deposit was delayed 30 days by a holiday on the far side of the route, through which the courier had to go. The holiday was not declared by the Bank, and the Bank has not been asked to recognise it. Ref. CIBT-2986-2743-5		
31 May	Interest at 3.70% APY	+400,138	130,890,836
	The interest for the 31st waited at the Singapore Sector relay while its operator finished a letter to his mother, which the relay regards as ordinary business and the Bank regards as the operator's own affair. The interest was released when the letter was sealed. Ref. CIBT-2986-810A-5

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
