Date	Description	Amount (s)	Balance (s)
17 Jan	ATM withdrawal: Oakland Sector	-86,400	244,589,286
	Ganymede Heights Infirmary's courier collects the cash for your account on the 17th and signs for it on a clipboard the Bank does not hold. The signature on file is in a different hand each time, and the sum has agreed each time. Ref. CIBT-2991-384B-8		
19 Jan	Deposit: Hall E	+22,128,407	266,717,693
	The figure was keyed in 256 d 02:46:47 and posted as 22,128,407, the two describing the same sum in different units. The Bank has checked the conversion, and it holds. The statement now shows both, so that either may be read by the holder. Ref. CIBT-2991-D220-9		
20 Jan	ATM withdrawal: Oakland Sector	-86,400	266,631,293
	The line for the 20th gave the withdrawal as 86,400. The dispensing log shows One Standard day was paid, the receipt agrees with the log, and the earlier figure has been struck with one ruled line, as the correction rule requires. Ref. CIBT-2991-0170-3		
29 Jan	Payroll credit: Ganymede Heights Infirmary	+1,089,836	267,721,129
	The employer's office sent this month's wage 31 days late, explaining that the cheque had been left in the other coat. The sum fell exactly on a half-second, and under the rounding rule such a sum goes to the payee, so the half becomes a whole second, which is yours and appears on the credit line. Ref. CIBT-2991-17E1-5		
31 Jan	Interest at 3.70% APY	+754,416	268,475,545
	The charge for carrying a fraction of a second from one period to the next has been waived. The fraction is too small for the paperwork to be worth the carrying, and the paperwork has been dropped. Ref. CIBT-2991-CF8E-5
