Unit 319, Pallas Ring 10

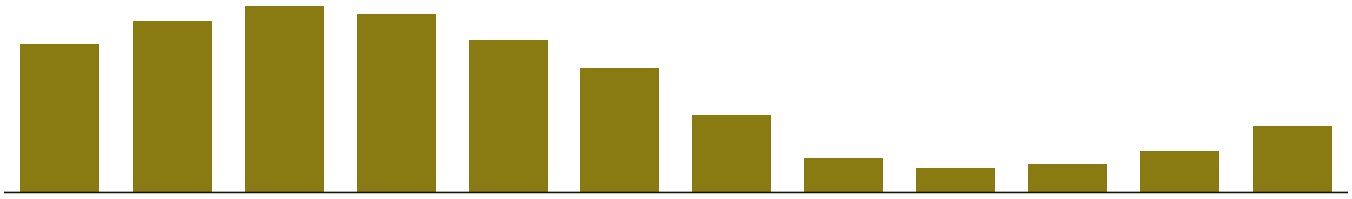

Account 8564-7861-1663
Period 1–30 June 2995
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
165,574,218 s	**+14,759,086 s**	**-87,000 s**	**180,246,304 s**

Date	Description	Amount (s)	Balance (s)
11 Jun	Deposit: Hall E	+13,158,730	178,732,948
	The notes had been kept in a jar of buttons for most of the quarter, and the Teller can smell it. She counts them anyway and writes "aired" in the margin, which is the nearest the window has ever come to an opinion on a holding. Ref. CIBT-2995-70D5-1		
18 Jun	ATM withdrawal: New Orleans Sector	-86,400	178,646,548
	The withdrawal shown on the 18th against account 8564-7861-1663 was made by you, and the one shown against your name was made by the holder at the next desk. The two cards were in the same slot. The entries have been swapped, and both holders have been told in writing. Ref. CIBT-2995-0821-0		
19 Jun	Payroll credit: Ganymede Heights Infirmary	+1,089,836	179,736,384
	The wage reached the account before the crew had come up, the firm having paid its crews on the surface as a courtesy to the day. The crew came back down that afternoon and asked whether the sum could be left where it was, and the Bank said that it could. Ref. CIBT-2995-60DF-7		
27 Jun	Slippage fee (New Orleans Sector, 1 transfers)	-600	179,735,784
	The statement said the crossings were made in the morning. They were made at New Orleans Sector in the afternoon of its day, which falls later on the Bank's clock. The fee follows the crossing, and the time has been restated to match. Ref. CIBT-2995-7926-3		
30 Jun	Interest at 3.70% APY	+510,520	180,246,304
	A reading room at New Orleans Sector bills 0.30 s each month against this account, which the Bank pays from the interest. The room sends back a receipt that the interest has been spent on reading, and nobody has yet asked what was read. Ref. CIBT-2995-BCD2-8

July 2994 June 2995

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
