Date	Description	Amount (s)	Balance (s)
11 Aug	Payroll credit: Ganymede Heights Infirmary	+1,089,836	256,615,582
	The Ganymede Heights Infirmary office at Titan converts its wages from cycles at the posted rate. It keeps the local day of its own dock, so the pay period runs a shade longer than yours; no adjustment is made for this. Ref. CIBT-3003-9817-5		
11 Aug	Deposit: Hall E	+12,029,176	268,644,758
	Notes on the slip were counted to the nearest whole unit, and the unit was cycle. The slip had been written in seconds, which the counter converted by a rule of its own, now pinned in the margin. Nobody is at fault, and the total is correct to the second. Ref. CIBT-3003-C169-5		
17 Aug	ATM withdrawal: Titan	-86,400	268,558,358
	The cash-time figure for the 17th had the machine's rounding applied twice, once at the machine and once at the branch. The double rounding has been taken out, leaving One Standard day on the line, which is what the receipt says. Ref. CIBT-3003-71BE-7		
29 Aug	Slippage fee (Titan, 2 transfers)	-600	268,557,758
	Slippage on 2 crossings, sent from Hall E to the Titan relay. The relay's clock runs a few seconds apart from the Head Office's, and that difference, measured at each change of shift since 3002, is the whole of the fee. Ref. CIBT-3003-0879-4		
31 Aug	Interest at 3.70% APY	+787,871	269,345,629
	Ganymede Heights Infirmary put its bonus into this account in one lump, and the interest on the lump is shown as its own line, so the company's accountants can see what the money earned while it sat, unclaimed, in your name. Ref. CIBT-3003-24BC-3		

Closing balance, month by month

September 3002 August 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
