Opening balance	Credits	Debits	Closing balance
353,281,666 s	**+3,524,314 s**	**-16,571,964 s**	**340,234,016 s**

Date	Description	Amount (s)	Balance (s)
03 May	Payroll credit: Ganymede Heights Infirmary	+2,376,149	355,657,815
	The Bank has not billed for money that arrived on the office's rest day, which the office calls restful. Ref. CIBT-2991-4DCD-8		
20 May	Slippage fee (Venus, 3 transfers)	-1,800	355,656,015
	Audit trail: the 3 crossings on this line reconcile to the relay's log, the relay's log reconciles to the Head Office's, and the Head Office's comes to a figure one second greater than this statement. The second has been entered as a rounding, and the auditors have asked for no further account of it. Ref. CIBT-2991-4C54-7		
23 May	Transfer to own account: Venus	-16,543,035	339,112,980
	The Moon office posts its sundries after the lunar fortnight, so a fee raised at the start of one month may not be taken until the next. The Bank has been asked to admit the fault lies with the fortnight, and has admitted it. Ref. CIBT-2991-342B-2		
28 May	Temporal Health Plan	-27,129	339,085,851
	No charge applies to the consultation at Venus, because the provider there accepted your claim before the plan had heard of the visit. The plan has noted that this was the other way round, and says it will not do it again. Ref. CIBT-2991-6218-2		
31 May	Interest at 3.90% APY	+1,148,165	340,234,016
	Ganymede Heights Infirmary holds a standing order that credits your interest on the 31st, and its treasurer has asked to see the figure before it is shown to you. The Bank has explained that a statement is not a document the depositor may be kept from, and the treasurer has agreed, with reservations he has put in writing. Ref. CIBT-2991-C7E9-1

June 2990 May 2991

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
