Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
19,741,247 s	**+873,873 s**	**-103,331 s**	**20,511,789 s**

Date	Description	Amount (s)	Balance (s)
04 Sep	Mech Veterans' Time Pension	+59,649	19,800,896
	Pension credit from the Authority Records Office's scheme, posted on the 4th. The scheme asked for the instalment to be confirmed in person, which the Teller did. She reports that the pensioner was amused to be asked, having been paid every month for a long time without anyone checking. Ref. CIBT-3003-3918-1		
08 Sep	Slippage fee (New Orleans Sector, 7 transfers)	-4,200	19,796,696
	Your employer has asked for a copy of this schedule, since the seconds lost on the run were its payroll's. A copy has gone to its office at Hall E, and the original is kept here. Ref. CIBT-3003-28AF-9		
11 Sep	Transfer to joint account	-99,131	19,697,565
	Every 11th the two of you walk the length of the branch before the transfer, come back by the same route, and make the transfer as though the walk were part of its paperwork. The route is not recorded; the time it takes is. Ref. CIBT-3003-A6D1-4		
16 Sep	Deposit: Hall E	+589,782	20,287,347
	Made in the same hand as the withdrawal on the line above it, and the Bank does not charge a holder for changing their mind at the counter. The counter offers that service free and has never once been thanked for it. Ref. CIBT-3003-183B-0		
26 Sep	Payroll credit: the Authority Records Office	+165,219	20,452,566
	Wages from the Authority Records Office at New Orleans Sector, where the office keeps the local day of its own dock. A payment made late there is credited at the next posted second, which the local officer describes as a courtesy and this branch describes as arithmetic. Ref. CIBT-3003-1289-0		
30 Sep	Interest at 3.60% APY	+59,223	20,511,789
	You have left the interest on deposit for 3 consecutive periods without once checking the figure before the statement arrived. The branch takes this as a compliment, and the statement is now sent with a little less ceremony. Ref. CIBT-3003-B1AC-5		

Closing balance, month by month

Highest 26,950,441 s · lowest 19,334,558 s

October 3002 — September 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
