Opening balance	Credits	Debits	Closing balance
110,889,998 s	**+11,321,065 s**	**-259,200 s**	**121,951,863 s**

Date	Description	Amount (s)	Balance (s)
21 Oct	Payroll credit: Kepler Ring Hydroponics	+674,333	111,564,331
	Wages in days are rounded to the lower whole unit, and the difference is credited at the start of the next quarter. The quarter began on a Monday this year, which the Bank checked, and the credit arrived on the Monday, which the payroll office checked too. Ref. CIBT-2989-6DE8-7		
23 Oct	Mech Veterans' Time Pension	+237,236	111,801,567
	The payment was held 29 days because the Montréal Sector post could not get through a storm on the route. It arrived on the 23rd, and it was paid on the morning it came in. Ref. CIBT-2989-03C1-5		
23 Oct	ATM withdrawal: Montréal Sector	-259,200	111,542,367
	After the machine lost power in a storm, the withdrawal waited 28 days for the relay to reconcile what the machine remembered. It remembered the sum correctly once it was back on, and the relay agreed with it. Ref. CIBT-2989-D417-4		
26 Oct	Deposit: Hall E	+10,113,790	121,656,157
	The handling charge on this deposit has been waived. The coins were already in the rolls the Bank supplies, and the Bank does not charge for a biscuit, eaten away from the counter, nor for its own rolls. Ref. CIBT-2989-127B-0		
31 Oct	Interest at 3.20% APY	+295,706	121,951,863
	Note for the auditors: interest on this account was calculated to the tenth of a second for the first period and to the whole second thereafter. The two methods agree on the total to within 36 seconds, which the auditors have accepted as the price of changing method. Ref. CIBT-2989-A650-0		

Closing balance, month by month

Highest 121,951,863 s · lowest 42,449,201 s

November 2988 October 2989

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
